

Spoorplan 1:1

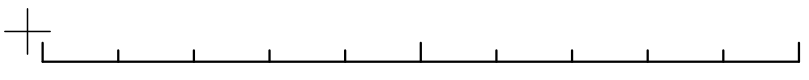

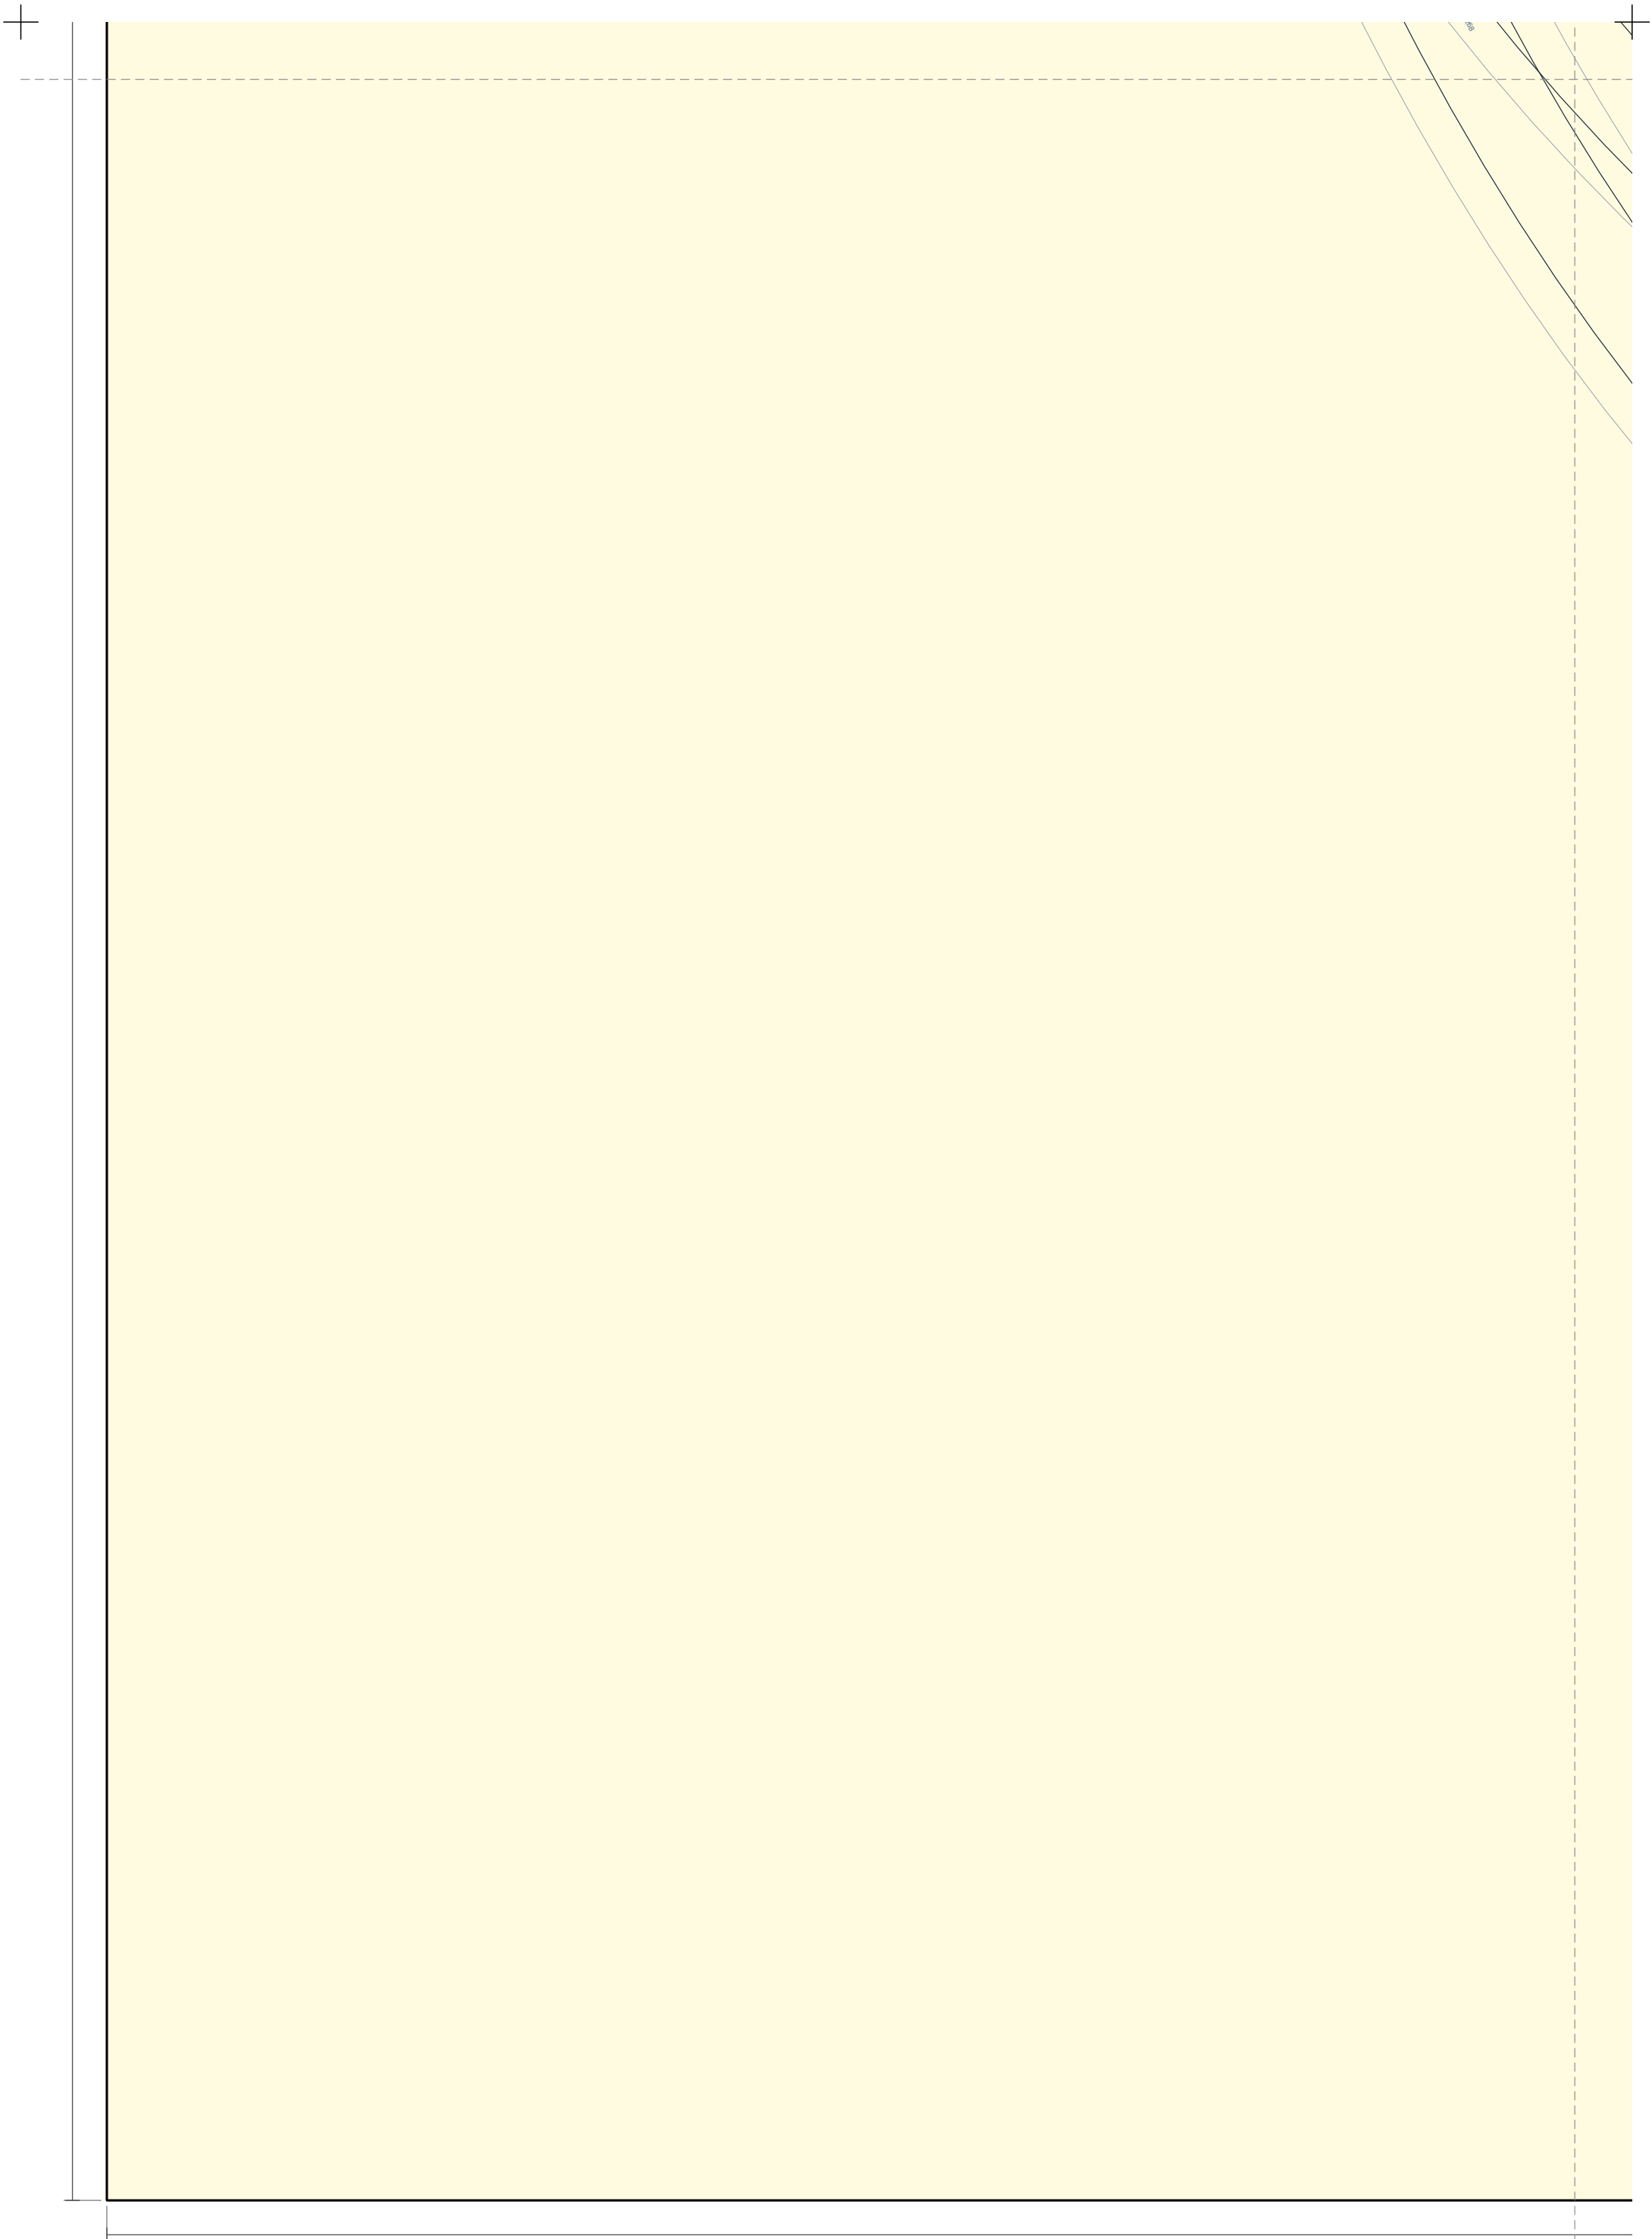

Dettingen - Borsdorf

Druk af op 100 % (niet passend maken). Knip elk vel bij op de stippellijn van het vorige, plak langs de overlap, en controleer de maatlat van 100 mm.

Dit plan is opgesteld aan de hand van de gegeven informatie. Door afwijkingen in de maatvoering en in de apparatuur waarmee gezaagd, gesneden en geprint wordt, kunnen altijd fouten ontstaan. Controleer alles zelf voordat je zaagt, koopt of bouwt. Ngongo-B aanvaardt geen aansprakelijkheid voor kosten of schade.
